CATTLE

Welcome!

We would like to welcome you all to our 26th Annual Open House and Kickoff Sale. We know this past year has been tough for the locals dealing with drought conditions, but we are hoping that 2024 is a little kinder to us. One thing that has helped us keep a positive attitude while battling the mud, is dreaming about waist high grass and bountiful crops. The cattle market has stayed strong this past year. It is a little more enjoyable taking cattle to town knowing that your 900lb steers are worth over \$2000. It was only a couple years ago we were selling everything with a \$1 in front of it, and now it isn't uncommon to see the sale reports starting with a \$3. Hopefully everyone keeps up their appetite for beef!

We have always had a strict culling program, but the drought this past year forced us to be even stricter. Again, this year, we were 8th in the nation in Dams of Dominance. Of the 34,861 cows assessed, only 5.32% were honored with the title of Dam of Merit and just over 1% qualified for Dam of Distinction. We had 40 total cows qualifying out of 91 eligible cows, with 30 as Dams of Merit and 10 as Dams of Distinction. In our herd, we had 43.96% of our eligible cows qualify.

We will be offering 32 bulls this year. We will have 1 black purebred bull and the rest of the offering are Balancers, red and black (several homozygous black by pedigree or DNA) and polled (several homozygous polled by pedigree or DNA). The bulls were weaned in September and fed a ration that was designed for a 2.75lb / day gain. The bulls are in breeding condition, but they are not fat. All of the bulls have been DNA tested, have a negative BVD PI3 test, and will be semen tested by Dr. Wulf from Red Cloud Animal Health. All bulls will have a first season breeding guarantee.

We will again be using the Auction format this year so we can have live bidding on DV Auction. Different from years past, we are starting all bulls off with a base price of \$3000. Anything that does not sell during the auction will be available private treaty for \$3200. We invite you to join us on Sunday, March 3rd. Mean Bone BBQ will be back, so come and enjoy some beef on us. If you have any questions, be sure and get a hold of Marlin (402-879-4976) or Cole (402-621-0359). Thank you for your continuing interest and trust in our program.
